Street Lighting Policy

Policy Statement

Street lighting may be considered for installation within the M.D. of Foothills. All street lighting requests shall require the approval of Council and shall meet the requirements for location and sharing of costs as outlined below:

1. Street lighting will be considered within or at the following locations:
 - a. Recognized Country Residential multi-lot subdivisions
 - b. Recognized Hamlets
 - c. M.D. facilities
 - d. Industrial Parks
 - e. Major road intersections or locations identified as requiring lighting for safety considerations.
2. Street lighting within Recognized Hamlets and Country Residential multi-lot subdivisions and Industrial Parks will only be considered provided the developer pays the capital cost of street lighting installation or the benefiting landowners pay for the capital cost through a direct payment.
3. The M.D. will pay for the energy cost of all approved street lighting. Any related capital costs for street lighting located in Hamlets, Country Residential multi-lot subdivisions, M.D. facilities and specifically identified locations will be covered by the M.D. of Foothills unless identified to be paid for by adjacent landowners or developers.
4. All existing street lighting locations, which do not comply with this policy, are to be grandfathered.

This Policy or Procedure is subject to any specific provision of the Municipal Government Act or other relevant legislation.
